Features That Put You Out Front

We offer the flexibility you need to tailor a program that fits each insured's situation:

- Easily accommodates both feedlot and pasture cattle - on a single policy
- Pays for losses at current market value – at time of loss
- Provides annual or monthly reporting
- Offers flexible deductibles

Affordable Premiums and Convenient Payment Options

Our rates and payment options are adjusted to meet each individual's situation

- Quotes are available by calling the Livestock office in your region and providing specific information concerning the situation
- Policy holders may select monthly, quarterly, semi-annual or annual payment options.
- A refundable deposit premium equal to 2 months premium is required if the monthly payment option is selected.

Limits of Insurance

- \$5,000,000 per loss on all pasture policies; and fair market value is the limit per head

Quick Claim Settlements

- Our claims office in Omaha, NE is experienced in the livestock business and handles all claims professionally and promptly. The insured or agent should contact the Omaha Claims Department within 24 hours of experiencing a loss related to the policy to begin settlement.

Pasture Cattle Coverage Options

Option	What It Covers / Provides	Special Notes
Coverage in Transit	Fills coverage gaps for operations requiring transportation of cattle from one listed location to another	Can be written on a limited cause of loss or broad form
Livestock Born	Includes any offspring born at listed locations under the policy coverage.	Total number of animals is calculated at 180% to account for unborn livestock.
High Value Livestock	Individual animals within an insured herd can be covered at a value greater than the normal \$1500 per head limit. Selected animals can be valued at up to \$5000 each under this option if they are a registered breeding animal, or had a high purchase price.	Choosing this option may result in an increased premium.

For Details on the Livestock Pasture Coverage, call The Hartford Livestock Office in your region or your local Hartford Livestock representative.
